

GLENELG CATHOLIC PARISH

2nd March, 2025

Eighth Sunday in Ordinary Time,
Year C

LENT 2025

John Herd PP

The seasons are changing and Autumn will begin this Saturday 1st March. We will probably soon see the changing colours of leaves. That fits in nicely with our change of season to Lent. Next Wednesday ashes will be blessed and distributed. We often get an influx of people on Ash Wednesday, maybe there is something deeply within our Catholic consciousness about receiving ashes and beginning this time of Lent. When I was young we were encouraged to keep the ashes on our forehead all day. Maybe it was an old fashioned marketing technique!

Masses will be celebrated at 9.15am at OLV with St Mary's School, at 11.10am at OLOG with the school, at 12 noon at OLV and at 7pm at OLV.

The Jubilee Year calls us to be pilgrims of hope. It's worth recalling that Easter is the real backdrop of Lent - we believe that the Lord Jesus is Risen and has already defeated the powers of evil and death. As St Paul says, *if Christ has not been raised then our faith is futile and we are still in our sins* (1 Cor 15:17). This is the reason why we can be pilgrims of hope, because our faith points us towards Jesus' ultimate victory. And as pilgrims it's good if we journey together. We are distributing the Archdiocese's Lenten Reflection with a program for each week of Lent. It would be good if we can find a few others to share the readings with and to listen to each one's reflections.

We are blessed to have four catechumens who are journeying to celebrate the sacraments of Baptism Confirmation and Eucharist at the Easter Vigil. We might keep Hans, Henry, Olivia and Lachlan in our prayers, as well as Franklin who is baptised Catholic and is preparing for Confirmation and Eucharist. There are various steps for the catechumens. On Sunday 9 March they will gather in the cathedral with Archbishop Pat and others from different parishes who are preparing for the sacraments. On some Sundays of Lent the catechumens will receive special blessings to help them in their fight against the evil one and to strengthen them in faith.

We too are called to enter into this spiritual journey. We are encouraged to give alms, to fast and to pray. We are seeking to become more free from the addictions and distractions which keep us from being our true selves. And we can look for the good which we can do. As we begin this journey may we rely on the Lord's grace which is always available for us.

Please remember in your prayers

Creating a Safer Online World

As children and young people head back to school and start the new year of activities in our parishes, it is a good time to think about how we use the internet. Increasingly, our learning, friendships, and social connections happen online, as well as in person at school and church. This makes it a perfect moment to focus on engaging with the online world safely, setting sensible limits on device use, and modelling good online behaviour ourselves. The Archdiocesan Integrity and Safeguarding Department is available for advice on safeguarding matters (8210 8150 or caasafeoperations@adelaide.catholic.org.au) [Click here](#) for the Parish Bulletin article and [click here](#) for the attachment.

Introduction: a brief explanation of the Jubilee event and personal prayer;

Reflection: Testimony - a human story of someone with experience in the relevant field; image/artwork - a visual representation highlighting the theme for contemplation;

Prayers of intercession: two examples that can be used by parishes;

Homeshare: A solution to the rental crisis for older women in SA

Homelessness among older women in Australia is increasing, making them one of the fastest-growing groups at risk of housing insecurity. The *Homeshare* program offers an innovative solution that fosters shared living based on mutual support and reciprocity – a model that has been successfully running around the world for years.

A partnership between St Vincent de Paul Society SA, Westside Housing and Shelter SA, the [Homeshare Pilot Program](#) is a fee free service that carefully matches female householders aged 55+ living on their own that have a spare bedroom, with female homesharers that need affordable accommodation from a similar age group that can offer some help around the house. Unlike a traditional flatmate arrangement, the matching process is rigorous: both parties undergo interviews, reference checks and police clearances to ensure a safe and reliable match.

If you're interested in learning more about becoming a householder or homesharer, please visit: [Homeshare](#).

We can Build a Fairer Australia.
